

# Heaven Calls My Name

Derek Henbest, Sarah Macintosh

Am F C G  
Who am I? Speak within, words of peace wash over me  
Am F C G Am G  
Close my eyes weak and worn, help me see your love for me, for me

C Am  
**As Heaven calls my name, shouting through my shame**  
F C G  
**Forever my praise rises to sing, grace finds me**  
C Am  
**Mercy calls my name, shouting through my blame**  
F C G  
**Forever my praise rises to sing, grace finds me**

Am F C G  
Here am I, flesh and bones, held within your hands of grace.  
Am F C G Am G  
Fill my eyes with your light, alive with the fire of Your love, for me

Am F C G  
This is what You'll hear, when the lost have been hunted for  
Am F C G  
This is how You'll know, that our lives are for You, oh Lord
