VERSE 1:

Db **Gbmaj7** **Gb/F Gbmaj7**
The Savior of the world here in me
Db **Gbmaj7** **Gb/F Gbmaj7**
Of never ending love do I sing
Db **Gbmaj7** **Gb/F Gbmaj7**
The toils of this old earth Lord I leave
Db **Gbmaj7** **Gb/F Gbmaj7**
Though hope and heart may fail You I seek

PRE-CHORUS:

Ab Gb/F Gbmaj7
After night comes daylight, still I'm singing, singing praises
Ab Gb/F Gbmaj7
After night comes daylight, still I'm singing, singing praises

CHORUS:

Db Gbmaj7
Found in open arms of love
Ebm Gbmaj7
Here breathing, You live in me
Db Gbmaj7
Found in open arms of hope
Ebm Gbmaj7
Your justice consuming me

BRIDGE:

Gbmaj7 Db/F Ab
Hope has found its place, as darkness turns to day
Bbm
Dawning now His brighter way
Gbmaj7 Db/F Ab
Rivers clap their hands, mountains, fields demand,
Bbm
Singing loud His highest praise
