

# Your Love Is Strong

Derek Henbest, Sarah Macintosh

**G** **C**  
Through the deepest valleys, through the dark of night

Your love will shine  
**G** **C**  
All the heights of heaven all the earth below,

Your love will light

**D** **Em** **D** **Em**  
You have seen me, You have seen me

**C** **D** **Em**  
**Our God is love, love that reaches out**  
**C** **D** **Em**  
**Our God is love, love that frees us**  
**C** **D** **Em**  
**We will not fear, we will not be afraid**  
**C** **D** **Em**  
**For your love is strong enough,**  
**G**  
**Your love is strong**

**G** **C**  
On the hardest hearted, though we run and fight

Your love it shines  
**G** **C**  
When the sea would pull me, if the wind does rage

Your love still shines
